FOR THE NORTHERN DISTRICT OF TEXAS  
DALLAS DIVISION

In re:	§	
	§	Case No. 09-34784-SGJ
ONDOVA LIMITED COMPANY,	§	(Chapter 11)
	§	
Debtor.	§	

**ORDER GRANTING TRUSTEE'S MOTION FOR AUTHORITY TO SELL  
PROPERTY OF THE ESTATE**

At Dallas, Texas, in said District on the 9<sup>th</sup> day of November, 2011, this Court conducted a hearing (the "Hearing") on the Trustee's Motion for Authority to Sell Property of the Estate (the "Motion")<sup>1</sup> [Docket No. 658] filed on October 7, 2011 by Daniel J. Sherman (the "Trustee"), the duly-appointed Chapter 11 trustee of Ondova Limited Company (the "Debtor" or "Ondova"). As set forth in this Court's Findings of Fact, Conclusions of Law and Order entered on October 18, 2011 ("Findings") [Adversary Proceeding Docket No. 130] this Court previously conducted a trial in Adversary Proceeding No. 11-03181, finding that the Trustee is directed to sell the domain name, servers.com (the "Domain Name"), utilizing internet domain name broker, Sedo.

Upon consideration of the Motion and the arguments and representations made by counsel therein and at the Hearing, this Court hereby finds as follows:

<sup>1</sup> All of the capitalized terms used in this Order, unless otherwise indicated, shall have the meanings ascribed to them in the Motion.

A. This Court has jurisdiction to hear and to determine the Motion and to grant the relief requested therein pursuant to 28 U.S.C. §§ 157(a) and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b). Venue of this case and of the Motion is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Notice of the Motion and the Hearing was appropriate and sufficient under the circumstances, and no further notice is necessary.

C. The relief requested by the Trustee in the Motion is appropriate and in the best interests of the Estate and all parties-in-interest.

D. All objections to the Motion are overruled.

E. Pursuant to the Findings, the sale of the Domain Name is an exercise of the Trustee's sound business judgment and is in the Estate's best interest under the circumstances.

F. The Trustee is authorized to sell the Domain Name to a purchaser free and clear of all liens, claims, encumbrances, and interests because one or more of the standards set forth in Section 363(f) of the Bankruptcy Code have been satisfied. Furthermore, this Court has already previously found that the Trustee's sale of the Domain Name meets all of the requirements of Section 363(h) of the Bankruptcy Code.

NOW, THEREFORE, IT IS HEREBY:

ORDERED that the Motion is APPROVED. It is further

ORDERED that, pursuant to Sections 363(b), (h), and (f) of the Bankruptcy Code, the Trustee is immediately authorized to sell the Domain Name. It is further

ORDERED that, if the purchaser of the Domain Name desires a subsequent order from this Court approving the sale of the Domain Name or if the Trustee deems it appropriate or necessary to obtain a subsequent order from this Court approving the sale of the Domain Name, the Trustee may petition this Court for, and this Court shall grant, such an order. It is further

ORDERED that in the event no subsequent order is required by the purchaser or the Trustee, within five (5) days of the sale of the Domain Name closing, the Trustee shall file a notice

with the Court identifying the details of the sale of the Domain Name, including the purchase price.

It is further

ORDERED that the sale of the Domain Name shall be free and clear of all liens, claims, encumbrances, and interests pursuant to Section 363(f) of the Bankruptcy Code. It is further

ORDERED that the Trustee is authorized to execute any and all documents he deems necessary or appropriate to effectuate the sale of the Domain Name. It is further

ORDERED that this Order shall be effective immediately and the stay provided for in Bankruptcy Rule 6004(h) is waived. It is further

ORDERED that this Court shall retain jurisdiction to hear and resolve any and all disputes that may arise from the implementation of this Order.

Baron; P. Vogel, Special Master to Judge R. Furgeson; J. Eckles for Quantec; G. Pronske and R. Patel for Pronske & Patel firm; R. Lurich for his Friedman & Feiger. Evidentiary hearing (as to status conference and Show Cause Matter involving Jeff Baron). Court heard reports concerning status of settlement implementation and latest dispute concerning Remaining Allocated Names. Court indicated that it would strike Request for Clarification of Settlement Provisions Regarding the Remaining Unallocated Names as it was procedurally deficient (in addition to appearing to be improper substantively). Court continued Status Conference and Show Cause Matter as to Jeff Baron to 9/30/10 at 2:30 pm. Court indicated likelihood of reporting and recommending that Judge R. Furgeson appoint a receiver over Jeff Baron if settlement not fully consummated by 9/30/10 and/or if court continues to have concern regarding Jeff Barons gamesmanship with hiring, firing, and not paying attorneys.
