Any software solely developed by Baron and/or Ondova is freely transferable by such Party, excluding any software that was developed in part by Netsphere.
- E. As of the Settlement Date, each of Baron, Ondova, and the Estate hereby assigns, transfers and sets over all of his or its rights, title and interest in any software or code solely developed by Baron and/or Ondova that is in the Netsphere Parties' possession (the "Netsphere Additional Software"), expressly quitclaims to Netsphere and disavows all rights of every kind, nature and description, if any, he or it may have, or ever had, in and to the Netsphere Additional Software and all rights related thereto, including, without limitation, property rights, contract rights, copyright interests and any other intellectual property interests, the value of goodwill and the income that may be derived from and after the Settlement Date with respect to the Netsphere Additional Software. - F. As of the Settlement Date, Netsphere grants to Jeffrey Baron, Ondova and the Trust LLCs a non-exclusive, non-transferable, royalty-free, worldwide license (the "Baron License") to use and reproduce the Netsphere Software and make derivative works based on the Netsphere Software that, as of the Settlement Date, is lawfully in Ondova or Baron's possession and has not been obtained by any fraudulent or illegal means, in violation of any state's or federal law, or by hacking into or otherwise illegally accessing Netsphere's servers or computers without Netsphere's express permission, as determined by a court of competent jurisdiction by a final order; provided, the Baron License excludes any right to distribute, sell, rent, lease and/or license or sublicense the Netsphere Software and/or derivative works based on the Netsphere Software for a period of thirty-one and one-half (31.5) months commencing on the Settlement Date. Upon expiration of the thirty-one and one-half (31.5) month period, the foregoing license in this Section 12.F. becomes freely transferable in whole or in part and shall then include the right to distribute copies. The foregoing license in this Section 12.F. may be extended at Baron's option to up to six (6) to-be-formed entities for Jeffrey Baron provided that Netsphere receives prior written notice of any such prospective extension of

the license along with a confirmation in writing under oath from Jeffrey Baron that the ownership of the new licensee comports with the ownership requirements of this Section 12.F, and, with respect to three (3) of such entities, the name and place of formation of such entities to receive the license, provided that the ownership of such entities shall be either: (i) wholly owned by Jeffrey Baron; (ii) owned directly through one or more wholly owned subsidiaries of (a) an entity wholly owned by Jeffrey Baron or a trust of which any of the Trusts, Ondova, Jeffrey Baron or a third party (who has no direct or indirect, legal or beneficial, interest whatsoever in Baron or any entity or trust of which Baron has any direct or indirect, legal or beneficial, interest of any kind) are the settlor and Jeffrey Baron is the sole primary beneficiary (such trust may have one or more contingent beneficiaries so long as such beneficiaries are 501(c)(3) charities or beneficiaries that are contingent upon the death of Jeffrey Baron) or (b) a wholly owned subsidiary of an entity wholly owned by Jeffrey Baron or a trust of which any of the Trusts, Ondova, Jeffrey Baron or a third party (who has no direct or indirect, legal or beneficial, interest whatsoever in Baron or any entity or trust of which Baron has any direct or indirect, legal or beneficial, interest of any kind) are the settlor and Jeffrey Baron is the sole primary beneficiary (such trust may have one or more contingent beneficiaries so long as such beneficiaries are 501(c)(3) charities or beneficiaries that are contingent upon the death of Jeffrey Baron); or (iii) identical to the current ownership of Ondova or the Trust LLCs. During the thirty-one and one-half (31.5) month period commencing on the Settlement Date, any change in the current ownership of Ondova, the Trust LLCs or in the initial ownership of the to-be-formed entities shall be a sale or transfer in material breach of the license granted to that entity in this Section 12.F and shall result in termination of that license (only with respect to the entity in breach), except where the change in ownership comports with (i)-(iii) in this Section 12.F, as confirmed in writing under oath by Jeffrey Baron. To the extent an entity granted a license under this Section 12.F terminates the license prior to a change in its ownership, the change in ownership shall not be a material breach of the license (the Parties acknowledge and agree that any entity that has terminated its license under Section 12.F has done so permanently and cannot obtain another such license).

- G. As of the Settlement Date, Netsphere grants to Jeffrey Baron, Ondova and the Trust LLCs a non-exclusive, transferable, royalty-free, worldwide license to use, reproduce, and distribute copies of the Netsphere Additional Software and make derivative works based on the Netsphere Additional Software.

 - D. Baron, Ondova and the Domain Jamboree Parties hereby RELEASE and DISCHARGE Rosh Alger, Tom Bolt & Associates, Adrian Taylor, Asiatrust Limited as Trustee for the Village Trust, Elizabeth Schurig and her past and present firms in any and all capacities from the beginning of time to the date of the Final Settlement Order, regardless of whether such claims or causes of action has yet accrued, notwithstanding any allegations of fact that at some point Rosh Alger, Tom Bolt & Associates, Adrian Taylor, Asiatrust Limited as Trustee for the Village Trust, Elizabeth Schurig and her past or present firms may have served as attorneys for Baron, Ondova and/or the Domain Jamboree Parties.
 - E. Each releasing Party does specifically waive any claim or right to assert any cause of action or alleged cause of action or claim or demand which has, through oversight or error, intentionally or unintentionally or through a mutual mistake, been omitted from this Release and which is based in whole or in part on any act or omission occurring from the beginning of time to the date of the Final Settlement Order, regardless of whether such claim or cause of action has yet accrued.
 - F. The foregoing provisions notwithstanding, all Parties represent, agree and confirm to the other Parties that they have no reason to believe any other third party (that is not a signatory hereunder) has any right, ownership, claim and/or other interest in and to any of the items discussed in this Agreement. Accordingly, each Party to this Agreement represents to each other Party that all necessary parties to effectuate this Agreement with respect to the signing Party have agreed to the terms of this Agreement and have signed (or granted authority in writing to be signed on their behalf) this Agreement. The foregoing representations are material representations, and any breach of such representations shall be a material breach of this Agreement.
 - G. For avoidance of doubt, the releases given herein by the Chapter 11 Trustee are made solely in his capacity as trustee for Ondova. Additionally, notwithstanding any provision of this Agreement to the contrary, nothing contained herein shall, in any way limit, reduce, waive, impair or otherwise restrict any and all other claims the Chapter 11 Trustee may have against persons or entities which are not Parties to this Agreement, all of which such rights and claims are specifically reserved.
16. **Delivery of Tax Documents.** On or before the Settlement Date, the Village Trust shall deliver the following tax documents to Manila, and Manila shall have no obligation to make the Cash Payment or to execute and deliver **Exhibit A** until such documents are delivered to Manila: Internal Revenue Service Form W-8IMY executed by the Village Trust and Form W-9 executed

- E. Such Party understands and agrees to all terms, provisions and conditions of this Agreement;
- F. Such Party has the requisite legal authority, capacity, and consent to execute this Agreement, and this Agreement is binding upon such Party acting in the legal capacity or capacities herein stated;
- G. Such Party represents and warrants that in executing this Agreement, it, he or she is not relying on any representation or warranty other than that which is specifically set forth in writing in this Agreement;
- H. 19. **Requested Findings.** The Parties agree to seek Bankruptcy Court approval in the order approving this Agreement for the following findings (“Findings”):

- A. That in December 2005 Jeffrey Baron, directly or indirectly through entities owned or controlled by Jeffrey Baron, intended to transfer any domain name he or they owned to the Village Trust and such intention to transfer was not conditional on whether or not the USVI deal was consummated.
- B. That Jeffrey Baron has not been the moving force behind monetization of the domain names in the “Odd Group Portfolio” since at least July 17, 2009.
- C. That Jeffrey Baron has not been the moving force behind monetization of the domain names in the Blue Horizon Portfolio since at least April 25, 2009.
- D. That neither Jeffrey Baron nor Ondova Limited Company have been listed as the registrant of record for, or been the licensee of the listed registrant of record for, or holder of record title to or in, the domain names in the Odd Group Portfolio.

The Parties acknowledge and understand that the Findings may not be approved by the Bankruptcy Court. Since the Findings are not required, the Findings are not material to this Agreement and the remaining terms of the Agreement are: (i) not affected; (ii) fully enforceable, and (iii) shall be fully performed as required by this Agreement.

20. **Taxes.**

- A. After the Transfer Date, upon the reasonable request of any Party, each other Party shall cooperate in all reasonable respects in preparing for any audits of, or disputes with, taxing authorities regarding any tax returns concerning the matters addressed in this Agreement. Each Party shall be solely responsible for paying any taxes or penalties assessed against them and, further, shall be responsible for all of its attorney fees and costs associated therewith. The mutual general releases provided for in this Agreement include a release of any claims for contribution or indemnity or monetary damages related to any taxes or any penalties assessed against any Party. Subject to the agreement of the Parties set forth in Section 20.A. hereof, each Party is free to take the tax position of its choosing and is solely responsible for any consequences resulting from any such position taken.
- B. The Parties agree that unanimous consent of Newco LLC (as defined below), Quantec LLC, Iguana Consulting LLC, and Novo Point LLC is required to engage in any discussions with the USVI BIR concerning the tax liability of Quantec, Inc., Iguana Consulting, Inc. or Novo Point, Inc., for taxable years beginning on or after January 1, 2006. The Parties further agree that:
 - (i) The Parties, as applicable, rescind any purported assignment of shares in the USVI corporations from MMSK Trust to the existing Trust LLCs and any purported ownership interest in the existing Trust LLCs issued to MMSK Trust, and such Parties further agree to treat such assignment and issuance as having never occurred;
 - (ii) The Parties agree that the Manila Related Parties have never had any ownership interest in any of the Trust LLCs;

21. **Jurisdiction.** The United States Bankruptcy Court for the Northern District of Texas (Dallas Division) shall have the exclusive jurisdiction over all disputes and/or matters whatsoever related to this Agreement, which involve the Estate as a party or that may directly or indirectly impact the Estate or any interest in property (within the meaning of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the "Bankruptcy Code")) held by the Estate or the Chapter 11 Trustee (as trustee for Ondova). Subject to the foregoing, the United States District Court for the Northern District of Texas, The Honorable Royal Furgeson, shall have jurisdiction over any and all other

- disputes and/or matters related to this Agreement, whether related to its consummation, implementation, enforcement or otherwise. In the event that the Honorable Royal Furgeson is not available to hear a case related to this Agreement, then any other judge of the United States District Court for the Northern District of Texas shall have jurisdiction over such case.
22. **Choice of Law.** This Agreement shall be governed by and construed in accordance with applicable federal bankruptcy law, 11 U.S.C. §101 et seq., and the laws of the State of Texas, without regard to its conflicts of law principles.
23. **Attorneys' Fees and Costs.** In each of the Underlying Cases, each of the Parties shall bear its own respective attorneys' fees and costs. In the event of a dispute, the prevailing Party in any action to enforce this Agreement shall be entitled to reasonable attorneys' fees and costs of litigation.
24. **Binding Agreement.** The Parties agree that this Agreement, inclusive of the Recitals in Article 1 hereof, is a totally binding agreement which may not be altered by any Party without the written consent of all other Parties and will be in effect for all times, unless otherwise provided herein. This Agreement shall inure to the benefit of, and shall be binding upon the Parties hereto, and their respective heirs, distributees, beneficiaries, executors, administrators, successors, and assigns.
25. **Ondova Plan /Claims Objections.** Prior to the hearing on the motion to approve this Agreement, the Chapter 11 Trustee intends to file the Ondova Plan, if feasible, to provide for, inter alia, payment of claims of creditors of Ondova. With respect to proofs of claim and other obligations of Ondova, the Chapter 11 Trustee agrees to allow the Daystar Trust to review and object to claims (but only in an amount in excess of \$10,000). The Chapter 11 Trustee reserves the right to comment and/or oppose any objections to claims filed by the Daystar Trust. The Chapter 11 Trustee does not object to Jeffrey Baron filing a competing reorganization plan and/or liquidation plan for Ondova. Prior to filing the Ondova Plan, the Trustee agrees to meet with Jeffrey Baron to confer regarding the Ondova Plan.
26. **Claims for Breach of this Agreement Not Released.** **IT IS EXPRESSLY UNDERSTOOD AND AGREED AMONG THE PARTIES TO THIS AGREEMENT THAT THE TERMS OF THIS AGREEMENT RELEASING AND DISCHARGING THE PARTIES ARE NOT INTENDED TO RELATE TO, AND NONE OF THE PARTIES ARE RELEASING ANY OTHER PARTY FROM, ANY CLAIM WHICH MAY HEREAFTER ACCRUE WHICH IS BASED SOLELY UPON FACTS OCCURRING AFTER THE SETTLEMENT DATE AND WHICH SOLELY RELATES TO OR ARISES DIRECTLY FROM OR OUT OF A BREACH OF THIS AGREEMENT ITSELF. THIS SECTION 26 IS NOT INTENDED TO LIMIT THE PROSPECTIVE RELEASE (WHICH IS SET FORTH IN SECTION 15) FOR CLAIMS WHICH ARE BASED IN WHOLE OR IN PART ON FACTS OCCURRING PRIOR TO THE EFFECTIVE DATE.**
27. **Waivers.** No waiver of any of the terms or provisions hereof shall be valid unless in writing and signed by all Parties. No waiver of default of any provision hereof shall be deemed a waiver of any subsequent breach or default of the same or similar nature.
28. **Reviewed by Counsel.** By execution hereof, each of the Parties acknowledges and agrees that this Agreement has been prepared and/or reviewed by the respective Parties and/or by the attorneys for each of the Parties.

29. **Entire Agreement.** Each Party hereto acknowledges that he, she, or it has carefully read this Agreement, including all documents or Exhibits that it incorporates and/or refers to, and that this Agreement expresses the entire agreement among the Parties concerning the subject matters it purports to cover; and that each Party has executed this Agreement freely and of his, her, or its own accord. No Party is relying on any oral representation or any other representation not set forth in writing in this Agreement. This Agreement supersedes all other agreements, whether written or oral, between the Parties relating to the subject matter hereof.
30. **Multiple Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be of equal rank. The execution of one counterpart by a Party shall be deemed the execution of all counterparts by such Party.
31. **Injunctive Relief.** The Parties agree that monetary damages alone may not be adequate recompense for any breach of this Agreement. In the event any Party breaches any of the terms, conditions, covenants, obligations, responsibilities or warranties placed upon such Party in this Agreement, then any other Party may seek only the remedies of specific performance and/or injunctive relief (whether mandatory or by restraint) and/or monetary damages, and if such Party is successful, then the Party breaching this Agreement agrees to pay all of the prevailing parties' reasonable attorneys' fees and costs of litigation in addition to any monetary damages awarded, if any. The Parties agree that the Pokerstar.com License Agreement provides for its own remedies and that the remedies available in this Agreement are not available under the Pokerstar.com License Agreement unless otherwise agreed upon in writing
32. **Time of Essence.** Time is of the essence in performing the provisions of this Agreement.
33. **Survival.** The agreements, representations, and warranties set forth in this Agreement shall survive the execution hereof. If any term or provision of this Agreement shall be held to be invalid or unenforceable for any reason, such term or provision shall be ineffective to the extent of such invalidity or unenforceability without invalidating the remaining terms and provisions hereof. This Agreement shall be construed as if such invalid or unenforceable term or provision had not been contained herein, provided, however, that the foregoing shall in no way be interpreted or construed to affect the enforceability of the release provisions of this Agreement. This Agreement has been duly authorized and constitutes a legal, valid, and binding obligation of each Party hereto and is enforceable against each of them in accordance with its terms.

(a) Maker hereby grants to and creates in favor of Payee a continuing security interest and lien under the UCC and all other applicable laws in and to all of the Collateral. Maker’s grant of such security interest and lien as security for the full and timely payment, observance and performance of the Secured Obligations in accordance with the terms thereof.

(b) In furtherance of the intent of the parties hereto, and notwithstanding any other provision of this Security Agreement to the contrary, the security interests and liens granted hereunder shall be treated as first priority security interests and liens granted to Payee as the Payee under this Security Agreement (including, without limitation, in a bankruptcy proceeding).

3. Maker’s Covenants, Representations, Warranties and Continuing Obligations.

(a) Restrictions. So long as the Deferred Payment remains outstanding and except as otherwise permitted under this Security Agreement, Maker shall not, without the prior written consent of Payee, sell, transfer, assign or otherwise dispose of the Collateral; provided, however that (i) Maker may, without Payee’s consent, sell, transfer, assign or otherwise dispose of the Collateral if the proceeds of such transaction are used to pay the Deferred Payment in full and in cash at the closing of any such transaction, and (ii) Maker may from time to time, without Payee’s consent, lease and/or license the rights to the Collateral so long as such lease or license remains subject to this Security Agreement and subordinate to Payee’s first lien on the Collateral.

(ii) Authorization; No Breach. The execution, delivery and performance of this Security Agreement have been duly authorized by all necessary corporate action on the part of Maker. The execution and delivery by Maker of this Security Agreement, and the fulfillment of and compliance with the respective terms hereof by Maker, do not and shall not (A) conflict with or result in a breach of any of the terms, conditions or provisions of, (B) constitute a default under, (C) result in the creation of any lien, security interest, charge or encumbrance upon Maker's capital stock or assets pursuant to, (D) give any third party the right to modify, terminate or accelerate any material obligation under, (E) result in a material violation of, or (F) require any authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to, the charter or bylaws of Maker, or any law or statute or rule, regulation, order, writ, judgment, injunction or decree of any court or administrative governmental body or agency to which Maker is subject, or any material agreement to which Maker is a party.

(iii) Maker's Continuing Obligations. Notwithstanding any provision hereof to the contrary, during the term of this Security Agreement, (i) Maker shall remain liable under all contracts and agreements included in the Collateral and shall pay, perform and observe all of its liabilities and obligations thereunder; (ii) Payee shall have no obligation to pay, perform or observe any of Maker's liabilities or obligations under such contracts and agreements as a result of exercising its rights under this Security Agreement or otherwise; and (iii) Payee's exercise of its rights under this Security Agreement or otherwise shall not release Maker from any of its liabilities or obligations under such contracts and agreements.

4. Addresses and Locations. Maker represents and warrants that as of the date of this Security Agreement (i) the California address of Maker set forth on the signature page hereof is the address of Maker's chief executive office and the address at which Maker keeps all books and records (in whatever form or medium, including all computer data, software and source codes) concerning the Collateral, and (ii) Michigan is the jurisdiction of Maker's incorporation.

5. Filing Requirements; Other Financing Statements. Maker represents and warrants that as of the date of this Security Agreement (i) none of its Collateral is covered by any certificate of title or subject to any lien or grant of any security interest other than the one created by this Security Agreement, and (ii) no financing statements describing any portion of the Collateral have been filed in any jurisdiction except for financing statements evidencing liens securing the Secured Obligations.

6. Rights in Collateral.

(a) Maker represents, warrants and covenants that it has and shall have at all times indefeasible title to all Collateral, free and clear of all liens, claims, charges and encumbrances (except for liens securing the Secured Obligations), and Maker shall defend such title against the claims and demands of all other Persons. Maker represents and warrants that this Security Agreement creates a valid security interest in the Collateral which, upon due filing of proper financing statements shall constitute a valid first priority perfected lien on and security interest in the Collateral, subject only to liens securing the Secured Obligations and liens which are accorded priority by statute.

(b) Except for expenditures of cash in the ordinary course of business or as otherwise permitted under Section 3(a) of this Security Agreement, Maker shall not sell, transfer, assign, convey or otherwise dispose of, or extend, amend, terminate or otherwise modify any material

term or provision of, any Collateral, any interest therein, nor waive or release any right with respect thereto, without the prior written consent of Payee, which consent shall not be unreasonably withheld, delayed or denied.

(c) Maker assumes full responsibility for taking any and all steps to preserve its rights with respect to the Collateral against all prior parties.

7. Records. Maker shall at all times maintain reasonably accurate and complete records with respect to each item and category of the Collateral.

8. Taxes and Charges. Maker shall pay and discharge all taxes, levies and other impositions levied on any Collateral, separate and apart from Maker's other assets and in accordance with generally accepted accounting principles, consistently applied, except only to the extent that such taxes, levies and other impositions shall not then be due or shall be contested in good faith by appropriate proceedings diligently conducted (provided, such reserves and other provisions as may be required by generally accepted accounting principles have been duly made and recorded on Maker's financial records). If Maker shall fail to do so, Payee may (but shall not be obligated to) pay such taxes, levies or impositions for the account of Maker (without waiving or releasing any obligation or default by Maker hereunder), and the amount thereof shall be added to the Secured Obligations and shall be payable upon demand with interest accruing thereon at the rate provided in the Settlement Agreement.

9. Inspection. Payee and its officers, employees and agents, at Payee's sole expense and in no event more than one (1) time during any twelve-month period, shall have the right at all reasonable times upon at least ten (10) business days prior written notice, to inspect the Collateral.

10. Preservation and Protection of Security Interest. Maker shall diligently preserve and protect Payee's security interest in the Collateral and shall, at its expense, cause such security interest in the Collateral to be perfected and continue perfected so long as the Secured Obligations or any portion thereof are outstanding and unpaid, and for such purposes, Maker shall from time to time at Payee's written request and at Payee's expense file or record, or cause to be filed or recorded, such instruments, documents and notices (including, without limitation, financing statements and continuation statements) as Payee may deem necessary or advisable from time to time to perfect and continue perfected such security interests. Maker shall do all such other reasonable acts and things and shall execute and deliver all such other instruments and documents (including, without limitation, further security agreements, pledge agreements, pledges, endorsements, assignments and notices) as Payee may deem reasonably necessary from time to time to perfect and preserve the priority of Payee's security interest in the Collateral, as a first lien perfected security interest in the Collateral, prior to the rights of any other secured party or lien creditor.

11. Remedy on Event of Default. If any Event of Default shall occur and be continuing beyond the expiration of any applicable notice and cure period, then so long as such Event of Default exists:

(a) If the Event of Default is a Deferred Payment Default or default under paragraph 3(a) hereof, then Payee's sole remedy for such default shall be to pursue a final, non-appealable judgment to permit the sale at public auction of the Collateral pursuant to Article 9 of the UCC to satisfy the Deferred Payment debt and/or to seek payment of the Deferred Payment debt, plus any fees and costs pursuant to paragraph 15(f) from the Post Default Deposits. The sale at public auction of the Collateral pursuant to Article 9 of the UCC shall occur only after notice and advertising of any sale at public auction has been published for at least sixty (60) days in advance of the sale date and notice must be provided to persons and entities as are required under Article 9

of the UCC for the conduct of a commercially reasonable sale at public auction. Additionally, any such sale at public auction must be conducted by one of the nationally recognized domain name auctioneers (or their successors) listed on **Schedule 1** attached hereto, to the extent that such auctioneers are then in existence and in the business of conducting domain name auctions. If none of the auctioneers (or their respective successors) listed on **Schedule 1** are then in existence or will agree to conduct the sale on sixty (60) days notice, then Payee must use such other auctioneer as would be required by Article 9 of the UCC for the conduct of a commercially reasonable sale at public auction. In the event that a sale of the Collateral and application of the Post-Default Deposits results in a surplus over and above the amount of the Deferred Payment debt plus any fees and costs pursuant to paragraph 15(f), then such surplus shall be paid within five (5) business days to Maker and, in the event that a sale of the Collateral results in a deficiency, then Payee shall have recourse for such deficiency against Manila. To the extent that Payee seeks payment of the Deferred Payment debt from the Post-Default Deposits, Manila shall be liable to Maker for the amount of Post-Default Deposits applied to the Deferred Payment debt.

(b) If the Event of Default is other than a Deferred Payment Default or default under paragraph 3(a), then Payee's sole remedy shall be to seek specific performance, including, but not limited to, preliminary injunctive relief and any attorneys fees permitted pursuant to subsection 15(f), by Maker of the warranty, covenant, agreement or term breached.

(c) It being understood in each instance referenced in clauses (a) and (b) above that Maker shall have no obligation to make any payment of the Deferred Payment to Payee, which shall at all times remain an obligation of Manila, and that Payee shall not have, nor be entitled to, any other right or remedy under this Security Agreement, the UCC or any other applicable law.

12. Agreement to Deposit Funds. In the event of an uncured Deferred Payment Default or a default under paragraph 3(a) hereof, and upon written notice to Maker by Payee pursuant to the terms hereof, and regardless of whether Maker contests whether such Deferred Payment Default or other default under paragraph 3(a) hereof has occurred or whether Maker asserts defenses to such alleged default, Maker agrees and it shall deposit into the registry of the United States District Court for the Northern District of Texas, in connection with the litigation described in paragraph 11 hereof, all Post Default Deposits. Maker agrees and stipulates that its obligation to make the Post Default Deposits, as described herein, shall be enforceable by injunctive relief without bond and without the need for Payee to demonstrate irreparable injury, such injury being stipulated and agreed to herein, and regardless of whether Maker asserts defenses to any of the defaults called by Payee hereunder; it being the intent of Maker and Payee that the right to the Post-Default Deposits should ultimately be adjudicated by the court which has jurisdiction of the claims asserted by Payee against Maker as referenced in paragraph 11 hereof, and pursuant to this Security Agreement. All payments by Maker of the Post-Default Deposits shall be made within five (5) business days from the date that they are received by Maker. Maker agrees and stipulates that it shall not divert any traffic from freesex.com or, upon the written notice to Maker by Payee pursuant to the terms hereof and after of a Deferred Payment Default or a default under paragraph 3(a) and regardless of whether Maker contests whether such Deferred Payment Default or other default under paragraph 3(a) hereof has occurred, that it shall not divert any revenue from feesex.com, all of which shall constitute Post Default Deposits. The obligation to make Post Default Deposits and prohibition against diverting revenues or traffic from freesex.com shall be enforceable by injunctive relief and based upon the stipulation and agreement of Maker that no bond shall be required for such injunctive relief, and no showing of irreparable injury shall be required, such irreparable injury being stipulated to by Maker herein.

13. Continuing Validity of Obligations.

(a) Maker's obligations hereunder shall continue in full force and effect as long as the Secured Obligations or any part thereof remain outstanding and unpaid and shall remain in full force and effect without regard to and shall not be released, discharged or in any way affected by (i) any renewal, refinancing or refunding of the Secured Obligations in whole or in part, (ii) any extension of the time of payment of any of the Secured Obligations or any part thereof, (iii) any compromise or settlement with respect to the Secured Obligations or any part thereof, or any forbearance or indulgence extended to Maker, (iv) any amendment to or modification of the terms of the Secured Obligations or any part thereof, or the Settlement Agreement, (v) any substitution, exchange or release of, or failure to preserve, perfect or protect, or other dealing in respect of, the Collateral or any other property or any security for the payment of the Secured Obligations or any part thereof, (vi) any bankruptcy, insolvency, arrangement, composition, assignment for the benefit of creditors or similar proceeding commenced by or against Maker, or (vii) any other matter or thing whatsoever whereby the agreements and obligations of Maker hereunder would or might otherwise be released or discharged other than payment in full of the Secured Obligations. Maker hereby waives notice of the acceptance of this Security Agreement by Payee.

(b) To the extent that Manila makes a payment or payments to Payee, which payment or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to Manila or a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause of action, then, to the extent of such payment, the Secured Obligations or portion thereof intended to be satisfied and this Security Agreement shall be revived and continue in full force and effect, as if such payment had not been received by such party; provided that Maker shall have no obligation to make any payment of the Deferred Payment to Payee.

14. Defeasance. Upon payment in full of the Secured Obligations, this Security Agreement shall terminate automatically and be of no further force and effect (except for the provisions of this Section 14 which shall survive), and in such event Payee shall, at Payee's expense take all action necessary to terminate Payee's security interest in the Collateral. This Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

15. Amendments, Waivers, Notices, Governing Law, etc.

(a) The provisions of this Security Agreement may be amended, modified and waived, but only in writing by Maker and Payee.

(b) Except as expressly provided otherwise in this Security Agreement, all notices and other communications hereunder shall be made as set forth in the Settlement Agreement.

(c) This Security Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and either of the parties hereto may execute this Security Agreement by signing any such counterpart.

(d) THIS SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC LAWS OF THE STATE OF CALIFORNIA, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF CALIFORNIA OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF CALIFORNIA.

Form of License Agreement

POKERSTAR.COM LICENSE AGREEMENT

THIS POKERSTAR.COM LICENSE AGREEMENT ("License Agreement"), effective as of the date of the last signature hereto ("Effective Date"), is by and between Asiatrusted Limited as Trustee of the Village Trust ("Licensor"), and Netsphere, Inc., a Michigan corporation with its principal place of business at 1300 Bristol Street North, Suite 200, Newport Beach, CA 92660 ("Netsphere").

WHEREAS, Licensor represents and warrants that it is the sole registrant and owner of all rights (property, contract, copyright, and all other rights recognized in law) in the internet domain name Pokerstar.com and wishes to grant Netsphere an exclusive license to the Pokerstar.com domain name.

NOW, THEREFORE, the parties hereto, intending to be legally bound, agree as follows:

1. DOMAIN LICENSE

1.1 License.

Licensor hereby grants to Netsphere, for the Term of this License Agreement, an exclusive license to the Pokerstar.com domain name, including, but not limited to, the exclusive right to use, in Netsphere's sole discretion, Pokerstar.com in any form of Online Business and including the right to sublicense. For purposes of this License Agreement, "Online Business" includes, but is not limited to, domain parking, monetization, and build out and/or operation of a website associated with the Pokerstar.com domain name. Nothing herein shall obligate Netsphere to operate, market, develop, or promote (including without limitation through search engine optimization, purchasing keywords, advertising, or any affiliate program) any Online Business or otherwise use the Pokerstar.com domain name during the Term of this License Agreement. Licensor shall have no right of control, participation, or management regarding the use or non-use of the Pokerstar.com domain name by Netsphere during the Term of this License Agreement. Licensor may not grant another license to the Pokerstar.com domain name during the Term without the written consent of Netsphere. Except as specifically provided herein, the ownership of all rights in the domain name Pokerstar.com will remain with the Licensor and are in no way transferred to Netsphere by virtue of the license granted in this License Agreement.

1.2 License Fee.

In exchange for the exclusive license granted to Netsphere, fifty percent (50%) of any revenue Netsphere receives from third parties via operation of any website at the address Pokerstar.com during the Term ("License Fee") shall be paid via wire transfer to Licensor (in accordance with the wire instructions provided by Craig Capua to John MacPete by email on June 7, 2010, by the 5th business day of each month for monies received (only includes actual receipts, not monies earned, for which exact copies of e-mails or online bank account activity statements indicating the relevant wire transfer receipts for the operation of any website at the address Pokerstar.com shall be provided) in the prior month (i.e. revenues earned in March will typically be paid to/received by Netsphere in April and, if received by Netsphere in April, the License Fee from revenues earned in March will then be paid to Licensor by the 5th business day of May). Netsphere shall retain the other fifty percent (50%) of any revenue it receives from third parties via operation of a website at the address Pokerstar.com ("Netsphere Payment"). Until such time as the Combined Pokerstar Revenue and the Additional Payment (as such terms are defined in the

Settlement Agreement entered into by the parties on July 2, 2010 (“Settlement Agreement”)) have been paid in accordance with Section 6.C. of the Settlement Agreement, payments of the License Fee will be made pursuant to Section 6.B and 6.C of the Settlement Agreement. If Licensor does not receive the License Fee within the time period discussed in this paragraph, Licensor shall notify Netsphere in writing. Within thirty (30) days of such notice (“Notice Period”), Netsphere shall attempt to cure by: i) sending Licensor a copy of the wire confirmation OR ii) sending any outstanding License Fee to Licensor. If Netsphere fails to cure within the Notice Period, within five (5) business days of the end of such Notice Period, Netsphere agrees to pay the License Fee and the Netsphere Payment into an escrow account held by Gracy Title Company until the dispute is resolved. Additionally, if Netsphere utilizes the Notice Period, due to Netsphere’s sole fault, more than two (2) times during any calendar year, it shall pay Licensor the amount of two hundred fifty dollars (\$250) (“Penalty Amount”) for each Notice Period utilized in excess of two (2) times during such calendar year. This Penalty Amount does not apply if the additional Notice Period(s) utilized by Netsphere were not caused by Netsphere’s failure to pay any outstanding License Fee.

1.3 Domain Renewal.

During the Term, Licensor agrees to continue to renew Pokerstar.com at its own cost, with renewal to be completed at least thirty-five (35) days prior to the expiration of any registration period. If Licensor fails to renew Pokerstar.com at least thirty-five (35) days prior to the expiration of any registration period, Netsphere shall notify Licensor in writing. Within 5 days of such notice (“Renewal Notice Period”), Licensor shall attempt to cure by renewing the registration period for Pokerstar.com. If Licensor fails to cure within the Renewal Notice Period, Netsphere may renew the registration on Licensor’s behalf and, in such event, Netsphere may deduct the renewal fee plus a Twenty Five Thousand Dollar (\$25,000) penalty from the next License Fee(s) owed to Licensor. If Netsphere exercises its right to renew the registration of Pokerstar.com, if Pokerstar.com’s registrar refuses to perform the renewal, Licensor and Pokerstar.com’s registrar agree that Netsphere shall be entitled to specific performance and a mandatory preliminary and permanent injunction without any bond requirement and without prior notice to Licensor, its registrar, and/or any other third party, requiring renewal of the Pokerstar.com domain for a minimum term of one (1) year (or longer, if requested and paid for by Netsphere). Any costs, fees and attorney’s fees incurred by Netsphere to obtain such injunctive relief shall be deducted from the next License Fee(s) owed to Licensor until such costs, fees, and attorney’s fees are fully recovered.

1.4 Nameserver Change.

During the Term, Licensor agrees to only point the nameservers and/or IP addresses for Pokerstar.com to those nameservers and/or IP addresses requested by Netsphere (in its sole discretion) in writing (including via e-mail). Other nameservers and/or IP addresses not authorized and/or requested by Netsphere are not permitted. Any request by Netsphere to Licensor for an update to the nameserver and/or IP address for Pokerstar.com shall be completed by Licensor (or its registrar) within twenty-four (24) business hours (based on eight (8) hours per business day) of such request. If, during the Term, Licensor, the registrar for Pokerstar.com, or any other third party (“Licensor Parties”) removes and/or directs the nameservers and/or IP addresses for Pokerstar.com to nameservers and/or IP addresses not authorized or consented to by Netsphere in writing (“NS Removal”), Netsphere shall send notice (“Nameserver Notice”) to Licensor pursuant to the instructions provided by Licensor in an email to Ravi Puri dated July 1, 2010. Within twenty-four (24) business hours (based on eight (8) hours per business day) of the Nameserver Notice (“NS Notice Period”), the Licensor Parties shall update the nameservers and/or IP addresses for Pokerstar.com as requested by Netsphere (“NS Update”). Licensor Parties and any entity and/or individual acting with or without the consent of Licensor agree that Netsphere shall also be entitled to specific performance and a mandatory preliminary and permanent injunction requiring the NS Update without any bond requirement and without prior notice to the Licensor Parties. If Licensor Parties fail to

perform the NS Update within twelve (12) business hours, or immediately if Licensor Parties utilize the NS Notice Period more than two (2) times during any calendar year, it shall pay Netsphere an amount, equal to the revenue for the subject number of days (any partial days shall be rounded up to the next whole number) multiplied by fifty percent (50%), Pokerstar.com has not been directed to a Netsphere requested nameserver and/or IP address multiplied by the highest revenue earned for one day in the most recent 30 days prior to the day the nameservers and/or IP addresses were not directed to a Netsphere requested nameserver and/or IP address less fifty percent (50%) of any monies received by Netsphere for Pokerstar.com for the day(s) the nameservers and/or IP addresses were not directed (regardless of when received) as requested by Netsphere PLUS any reasonable costs, fees and attorney's fees incurred by Netsphere to obtain injunctive relief, if any, shall be deducted from the next License Fee(s) owed to Licensor until the costs, fees, attorney's fees, and penalty(ies) are fully recovered.

1.5 Intellectual Property Rights.

a. Netsphere and its advertisers, affiliates, service providers and suppliers will retain ownership of their intellectual property, including, but not limited to, patent, trademark, trade secret, and copyrights ("Intellectual Property"). All material available and/or published on a website at the address Pokerstar.com, via the nameservers and/or IP addresses that Netsphere has requested Licensor to point towards, including, but not limited to, written content, photographs, graphics, images, illustrations, marks, logos, sound or video clips, and flash animation, is protected by intellectual property rights, including, but not limited to, patent, copyright, trademark and trade secret (collectively "PS Content") and is the sole property of Netsphere or its advertisers, affiliates, service providers and/or suppliers.

b. Licensor agrees that it is not authorized or licensed to use the PS Content and/or the Intellectual Property that is used on or in connection with a website at the address Pokerstar.com and will not make a claim to any rights to or ownership of the PS Content and/or any Intellectual Property that is used on or in connection with a website at the address Pokerstar.com. Licensor will not: (1) adapt, alter, broadcast, circulate, copy, create derivative works of, display, dispose, distribute, disseminate, edit, electronically transfer, exploit, lease, license, loan, make available, modify, publish, register, rent, reproduce, retransmit, revise, sell, sublicense, translate, or use any PS Content and/or Intellectual Property; (2) reverse engineer, decompile, reverse compile, or disassemble any PS Content and/or Intellectual Property in whole or in part; (3) use any information obtained by crawling and/or spidering the website at the address Pokerstar.com (including, but not limited to the search results and any other content); and/or (4) authorize any other person or entity to do any of the foregoing.

1.6 Term and Termination.

a. Unless earlier terminated as set forth herein, the original term of this License Agreement shall extend for twenty-five (25) years from the Transfer Date as set forth in the Settlement Agreement and any subsequent renewal of this License Agreement for any period of time shall be agreed to in writing by both parties at least thirty (30) days prior to the end of the original or any subsequent term. The original term and any and all renewal terms are included within the meaning of "Term" as used herein.

b. Licensor may terminate this License Agreement only if the monthly funds received by Licensor from Netsphere fall below Twelve Thousand Five Hundred United States Dollars (\$12,500) per month for six (6) consecutive months. If Licensor elects to exercise its option to terminate under this provision, Licensor shall provide Netsphere with thirty (30) days written notice of termination.

c. Unless otherwise agreed to in this paragraph 1.6, this License Agreement may not be terminated for any reason, including, but not limited to, an alleged breach of this License Agreement or the Settlement Agreement.

1.7 No Warranties.

Nothing in this License Agreement shall be deemed to be a warranty, express or implied, by Netsphere as to Netsphere's performance under this License Agreement and/or the performance of any Online Business related to the Pokerstar.com domain. Netsphere shall not owe Licensor any fiduciary duties or other duties that are not expressly provided in this License Agreement.

1.8 Records; Auditing.

During the Term of the License Agreement, Licensor shall have the right, upon at least fifteen (15) business days prior written notice, during normal business hours, through an independent auditor, to examine and audit Netsphere's books and records for the preceding twelve (12) months (as of the date of the audit) relating solely to the operation of a website at the address Pokerstar.com and the revenue received therefrom (the "Records"), which books and records shall be kept and maintained by Netsphere in accordance with generally accepted accounting principles, consistently applied, separate and apart from the books and records for Netsphere's other business operations. Except in the case of an uncured default hereunder, Licensor may exercise such right no more than one (1) time per calendar year. The cost of any such examination and audit shall be paid by Licensor, except that, if it is determined on the basis of such audit (or if, in accordance with the following provisions, it is otherwise ultimately determined) that Netsphere's revenues received for the period audited were understated by more than five percent (5%), then the reasonable cost of the audit shall be paid by Netsphere and Netsphere shall immediately pay Licensor any sums due as a License Fee for the subject audit period.

1.9 Notice.

The parties agree that for purposes of notice, the names, e-mails, and facsimile numbers to receive notice under this License Agreement may be changed subject to such information being provided to the other party at least ten (10) days prior to the effective date of the change.

2. CONFIDENTIALITY

To the extent that the terms of this License Agreement are confidential and, except as required by law, each of Licensor and Netsphere agree not to disclose the terms of this License Agreement to anyone other than their officers, directors, attorneys, accountants, or pursuant to the formal request of any law enforcement or administrative agency or a subpoena or order of a court, or as necessary to enforce its rights or obligations under this License Agreement (the "Non-Disclosure Obligations"). Furthermore, in the event of any formal request of any law enforcement or administrative agency or a subpoena or order of court, Licensor and Netsphere must use diligent reasonable efforts to limit each disclosure of confidential information and notify the other party prior to disclosure, when permitted by law, so that either (or both) party may seek confidential treatment or a protective order preventing such disclosure. The parties' Non-Disclosure Obligations include, without limitation, refraining from publishing or issuing any press releases, news articles or external bulletins, and refraining from posting any statements on the Internet that are accessible by third parties, or sending any e-mails or other correspondence to a third party regarding the confidential terms of this License Agreement.

This License Agreement is made solely for the benefit of the parties to this License Agreement and their respective successors and assigns, and no other person or entity shall have or acquire any right by virtue of this License Agreement

3.2 No Inducement.

If a court or an arbitrator of competent jurisdiction holds any provision of this License Agreement to be illegal, unenforceable, or invalid in whole or in part for any reason, the validity and enforceability of the remaining provisions, or portions of them, will not be affected.

(b) In furtherance of the intent of the parties hereto, and notwithstanding any other provision of this Agreement to the contrary, the security interests and liens granted hereunder shall be treated as first priority security interests and liens granted to Payee as the Payee under this Agreement (including, without limitation, in a bankruptcy proceeding) except that such security interests and liens shall be subordinate to the Pokerstar.com License.

3. Maker’s Covenants, Representations, Warranties and Continuing Obligations.

So long as the Additional Payment remains outstanding and except as otherwise permitted under this Agreement, Maker shall not, without the prior written consent of Payee, sell, transfer, assign or otherwise dispose of the Collateral; provided, however that (i) Maker may, without Payee’s consent, sell, transfer, assign or otherwise dispose of the Collateral if the proceeds of such transaction are used to pay the Additional Payment in full, and (ii) Maker may from time to time, without Payee’s consent, sublease and/or sublicense the rights to the Pokerstar.com License (but not re-register the Collateral in violation of the Settlement Agreement) so long as such sublease or sublicense remains subject to this Agreement and subordinate to Payee’s lien on the Collateral.

(b) Maker Representations and Warranties. Maker hereby represents and warrants that as of the date of this Agreement:

(i) Organization and Corporate Power. Maker is a trust validly existing and in good standing under the laws of the Cooks Islands.

(ii) Authorization; No Breach. The execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of Maker. The execution and delivery by Maker of this Agreement, and the fulfillment of and compliance with the respective terms hereof by Maker, do not and shall not (A) conflict with or result in a breach of any of the terms, conditions or provisions of, (B) constitute a default under, (C) result in the creation of any lien, security interest, charge or encumbrance upon Maker's capital stock or assets pursuant to, (D) give any third party the right to modify, terminate or accelerate any material obligation under, (E) result in a material violation of, or (F) require any authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to, the charter or bylaws of Maker, or any law or statute or rule, regulation, order, writ, judgment, injunction or decree of any court or administrative governmental body or agency to which Maker is subject, or any material agreement to which Maker is a party.

(iii) Maker's Continuing Obligations. Notwithstanding any provision hereof to the contrary, during the term of this Agreement, unless and until the Collateral is transferred to Payee pursuant to the terms of the Pokerstar Escrow Agreement, (i) Maker shall remain liable under all contracts and agreements included in the Collateral and shall pay, perform and observe all of its liabilities and obligations thereunder; (ii) Payee shall have no obligation to pay, perform or observe any of Maker's liabilities or obligations under such contracts and agreements as a result of exercising its rights under this Agreement or otherwise; and (iii) Payee's exercise of its rights under this Agreement or otherwise shall not release Maker from any of its liabilities or obligations under such contracts and agreements.

4. Addresses and Locations. Maker represents and warrants that as of the date of this Agreement (i) the address of Maker set forth on the signature page hereof is the address of Maker's chief executive office and the address at which Maker keeps all books and records (in whatever form or medium, including all computer data, software and source codes) concerning the Collateral, and (ii) Cook Islands is the jurisdiction of Maker's incorporation.

5. Filing Requirements; Other Financing Statements. Maker represents and warrants that as of the date of this Agreement (i) none of its Collateral is covered by any certificate of title, and (ii) no financing statements describing any portion of the Collateral have been filed in any jurisdiction except for financing statements evidencing liens securing the Secured Obligations and the Pokerstar.com License.

6. Rights in Collateral.

(a) Maker represents, warrants and covenants that it has and shall have at all times indefeasible title to all Collateral, free and clear of all liens, claims, charges and encumbrances (except for liens securing the Secured Obligations and the Pokerstar.com License), and Maker shall defend such title against the claims and demands of all other Persons. Maker represents and warrants that this Agreement creates a valid security interest in the Collateral which, upon due filing of proper financing statements shall constitute a valid first priority perfected lien on and security interest in the Collateral, which is subordinate to the Pokerstar.com License, subject only to liens securing the Secured Obligations and liens which are accorded priority by statute.

(b) Except for expenditures of cash in the ordinary course of business or as otherwise permitted under Section 3(a) of this Agreement, Maker shall not sell, transfer, assign, convey or otherwise dispose of, or extend, amend, terminate or otherwise modify any material term or

provision of, any Collateral, any interest therein, nor waive or release any right with respect thereto, without the prior written consent of Payee, which consent shall not be unreasonably withheld, delayed or denied.

(c) Maker assumes full responsibility for taking any and all steps to preserve its rights with respect to the Collateral against all prior parties. Payee shall be deemed to have exercised reasonable care in the preservation and custody of the portion of the Collateral as may be in Payee's possession if Payee takes such action as Maker shall reasonably request in writing; provided, such requested action shall not, in the judgment of Payee, impair Payee's prior security interest in such Collateral or its rights in or the value of such Collateral and, provided further, that such written request is received by Payee in sufficient time to permit Payee to take the requested action.

7. Records. Maker shall at all times maintain reasonably accurate and complete records with respect to each item and category of the Collateral.

8. Taxes and Charges. Maker shall pay and discharge all taxes, levies and other impositions levied on any Collateral, separate and apart from Maker's other assets and in accordance with generally accepted accounting principles, consistently applied, except only to the extent that such taxes, levies and other impositions shall not then be due or shall be contested in good faith by appropriate proceedings diligently conducted (provided, such reserves and other provisions as may be required by generally accepted accounting principles have been duly made and recorded on Maker's financial records). If Maker shall fail to do so, Payee may (but shall not be obligated to) pay such taxes, levies or impositions for the account of Maker (without waiving or releasing any obligation or default by Maker hereunder), and the amount thereof shall be added to the Secured Obligations and shall be payable upon demand with interest accruing thereon at the rate provided in the Settlement Agreement.

9. Inspection. Payee and its officers, employees and agents, at Payee's sole expense and in no event more than one (1) time during any twelve-month period, shall have the right at all reasonable times upon at least ten (10) business days prior written notice, to inspect the Collateral.

10. Preservation and Protection of Security Interest. Maker shall diligently preserve and protect Payee's security interest in the Collateral and shall, at its expense, cause such security interest in the Collateral to be perfected and continue perfected so long as the Secured Obligations or any portion thereof are outstanding and unpaid, and for such purposes, Maker shall from time to time at Payee's written request and at Payee's expense file or record, or cause to be filed or recorded, such instruments, documents and notices (including, without limitation, financing statements and continuation statements) as Payee may deem necessary or advisable from time to time to perfect and continue perfected such security interests. Maker shall do all such other reasonable acts and things and shall execute and deliver all such other instruments and documents (including, without limitation, further security agreements, pledge agreements, pledges, endorsements, assignments and notices) as Payee may deem reasonably necessary from time to time to perfect and preserve the priority of Payee's security interest in the Collateral, as a perfected security interest in the Collateral, prior to the rights of any other secured party or lien creditor, except with respect to the Pokerstar.com License, to which its security interest is subordinate.

11. Remedy on Event of Default. If any Event of Default shall occur and be continuing beyond the expiration of any applicable notice and cure period, then so long as such Event of Default exists, (i) if the Event of Default is an Additional Payment Default, then Payee's sole remedy for such Additional Payment Default shall be to pursue a final, non-appealable judgment to cause the transfer of the Domain Name in accordance with the provisions of the Pokerstar Escrow Agreement, and (ii) if the

Event of Default is other than an Additional Payment Default, then Payee's sole remedy shall be to seek specific performance, including, but not limited to, preliminary injunctive relief and any attorneys fees permitted pursuant to subsection 14(f), by Maker of the warranty, covenant, agreement or term breached, it being understood in each instance referenced in clauses (i) and (ii) above that Payee shall not have, nor be entitled to, any other right or remedy under this Agreement, the UCC or any other applicable law.

12. Continuing Validity of Obligations.

(a) Maker's obligations hereunder shall continue in full force and effect as long as the Secured Obligations or any part thereof remain outstanding and unpaid and shall remain in full force and effect without regard to and shall not be released, discharged or in any way affected by (i) any renewal, refinancing or refunding of the Secured Obligations in whole or in part, (ii) any extension of the time of payment of any of the Secured Obligations or any part thereof, (iii) any compromise or settlement with respect to the Secured Obligations or any part thereof, or any forbearance or indulgence extended to Maker, (iv) any amendment to or modification of the terms of the Secured Obligations or any part thereof, or the Settlement Agreement, or the Pokerstar Escrow Agreement, (v) any substitution, exchange or release of, or failure to preserve, perfect or protect, or other dealing in respect of, the Collateral or any other property or any security for the payment of the Secured Obligations or any part thereof, (vi) any bankruptcy, insolvency, arrangement, composition, assignment for the benefit of creditors or similar proceeding commenced by or against Maker, or (vii) any other matter or thing whatsoever whereby the agreements and obligations of Maker hereunder would or might otherwise be released or discharged other than payment in full of the Secured Obligations. Maker hereby waives notice of the acceptance of this Agreement by Payee.

(b) To the extent that Maker makes a payment or payments to Payee, which payment or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to Maker or a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause of action, then, to the extent of such payment, the Secured Obligations or portion thereof intended to be satisfied and this Agreement shall be revived and continue in full force and effect, as if such payment had not been received by such party..

13. Defeasance. Upon payment in full of the Secured Obligations, this Agreement shall terminate automatically and be of no further force and effect (except for the provisions of this Section 13 which shall survive), and in such event Payee shall, at Payee's expense and without recourse, representation or warranty, redeliver and reassign to Maker the Collateral, terminate the Pokerstar Escrow Agreement in accordance with its terms and take all action necessary to terminate Payee's security interest in the Collateral. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

14. Amendments, Waivers, Notices, Governing Law, etc.

(a) The provisions of this Agreement may be amended, modified and waived, but only in writing by Maker and Payee.

(b) Except as expressly provided otherwise in this Agreement, all notices and other communications hereunder shall be made as set forth in the Settlement Agreement.

(c) This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and either of the parties hereto may execute this Agreement by signing any such counterpart.

(d) THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC LAWS OF THE STATE OF TEXAS, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF TEXAS OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF TEXAS.

(e) This Agreement is entered into in connection with and subject to the Settlement Agreement. Notwithstanding any provision hereof to the contrary, in the event of any claimed Event of Default hereunder, Maker reserves, and shall have, all rights, offsets, claims and defenses to such claimed Event of Default which Maker is entitled to assert for any claimed breach of the Settlement Agreement, to the same extent as if such provisions of the Settlement Agreement had been expressly set forth herein.

(f) If any action is brought to enforce or interpret the terms of this Agreement (including through arbitration), the prevailing party shall be entitled to reasonable legal fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled.

(g) The United States District Court for the Northern District of Texas, The Honorable Royal Furgeson, shall have jurisdiction over any and all other disputes and/or matters related to this Agreement, whether related to its consummation, implementation, enforcement or otherwise.

(h) In the event of a monetary default hereunder, if a party fails to timely pay monies due another party more than two (2) times in any twelve (12) month period, for each subsequent default during the subject twelve (12) month period, the defaulting party shall pay the non-defaulting party(ies) two hundred fifty dollars (\$250), in the aggregate, as a penalty and not as interest.

NOW, THEREFORE, in consideration of the Secured Obligations (as hereinafter defined) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Maker, and to induce Payee to accept the Additional Payment, the parties hereto agree as follows:

1. Definitions. Capitalized terms shall have the meanings set forth therein. In addition to any other terms defined elsewhere in this Agreement, the following terms shall have the following meanings:

“**Additional Payment Default**” shall mean Maker’s failure to pay the Additional Payment in accordance with the Settlement Agreement, which failure remains uncured for more than thirty (30) days after written notice thereof by Payee to Maker.

“**Blue Horizon Portfolio**” shall mean any and all domain names that previously were registered through Ondova Limited Company, exclusive of the Even Group Portfolio (as defined in the Settlement Agreement), the Odd Group Portfolio (as defined in the Settlement Agreement) and any domain name not registered through or at Ondova Limited Company as of February 22, 2010, and exclusive of *pokerstar.com*, *servers.com* and the Excluded Disputed Domains.

“**Contract Rights**” shall mean any right to payment related to the Collateral.

“**Event of Default**” shall mean (i) any breach by Maker of any warranty, covenant, agreement or term by Maker under this Agreement, in each instance which remains uncured for more than thirty (30) days after written notice thereof by Payee to Maker, or (ii) an Additional Payment Default, or (iii) any non-Payee breach Section 6.C. of the Settlement Agreement.

“**GAAP**” shall mean generally accepted accounting principles.

“**Person**” means an individual, a partnership, a corporation, a limited liability company, an association, a joint stock company, a trust, a joint venture, an unincorporated organization and a governmental entity or any department, agency or political subdivision thereof.

“**Post-Default Deposits**” shall mean all Proceeds, Contract Rights, insurance proceeds, rents, profits and revenue of any type or character actually received by Maker generated from the Collateral (including but not limited to revenues generated from any lease or license of the Collateral) after the date of a Noticed Default (as defined in Section 11 hereof).

“**Proceeds**” shall mean all proceeds (as that term is defined in the UCC) and any and all amounts or items of property received when any Collateral or proceeds thereof are sold, exchanged, collected or otherwise disposed of, both cash and non-cash, including proceeds of insurance, indemnity, warranty or guarantee paid or payable on or in connection with any Collateral.

“**Secured Obligations**” shall mean the obligation of Maker to pay the Additional Payment and the obligations of Maker under this Agreement, as the same may be amended, modified or supplemented from time to time, together with any and all extensions, renewals, refinancings or refundings thereof in whole or in part.

“**UCC**” shall mean the Uniform Commercial Code as in effect in the State of Texas.

2. Grant of the Security Interest.

(a) Maker hereby grants to and creates in favor of Payee a continuing security interest and lien under the UCC and all other applicable laws in and to all of the Collateral. Maker’s grant of such security interest and lien as security for the full and timely payment, observance and performance of the Secured Obligations in accordance with the terms thereof.

(b) In furtherance of the intent of the parties hereto, and notwithstanding any other provision of this Agreement to the contrary, the security interests and liens granted hereunder shall be treated as first priority security interests and liens granted to Payee as the Payee under this Agreement (including, without limitation, in a bankruptcy proceeding).

3. Maker’s Covenants, Representations, Warranties and Continuing Obligations.

(a) Restrictions. So long as the Additional Payment remains outstanding and except as otherwise permitted under this Agreement, Maker shall not, without the prior written consent of Payee, sell, transfer, assign or otherwise dispose of the Collateral; provided, however, that Maker may, without Payee’s consent, sell, transfer, assign or otherwise dispose of the Collateral if the proceeds of such transaction are used to pay the Additional Payment in full.

(b) Maker Representations and Warranties. Maker hereby represents and warrants that as of the date of this Agreement:

(i) Organization and Corporate Power. Maker is a trust validly existing and in good standing under the laws of the Cooks Islands.

(ii) Authorization; No Breach. The execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of Maker. The execution and delivery by Maker of this Agreement, and the fulfillment of and compliance with the respective terms hereof by Maker, do not and shall not (A) conflict with or result in a breach of any of the terms, conditions or provisions of, (B) constitute a default under, (C) result in the creation of any lien, security interest, charge or encumbrance upon Maker's capital stock or assets pursuant to, (D) give any third party the right to modify, terminate or accelerate any material obligation under, (E) result in a material violation of, or (F) require any authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to, the charter or bylaws of Maker, or any law or statute or rule, regulation, order, writ, judgment, injunction or decree of any court or administrative governmental body or agency to which Maker is subject, or any material agreement to which Maker is a party.

(iii) Maker's Continuing Obligations. Notwithstanding any provision hereof to the contrary, during the term of this Agreement, (i) Maker shall remain liable under all contracts and agreements included in the Collateral and shall pay, perform and observe all of its liabilities and obligations thereunder; (ii) Payee shall have no obligation to pay, perform or observe any of Maker's liabilities or obligations under such contracts and agreements as a result of exercising its rights under this Agreement or otherwise; and (iii) Payee's exercise of its rights under this Agreement or otherwise shall not release Maker from any of its liabilities or obligations under such contracts and agreements.

4. Addresses and Locations. Maker represents and warrants that as of the date of this Agreement (i) the address of Maker set forth on the signature page hereof is the address of Maker's chief executive office and the address at which Maker keeps all books and records (in whatever form or medium, including all computer data, software and source codes) concerning the Collateral, and (ii) Cook Islands is the jurisdiction of Maker's incorporation.

5. Filing Requirements; Other Financing Statements. Maker represents and warrants that as of the date of this Agreement (i) none of its Collateral is covered by any certificate of title, and (ii) no financing statements describing any portion of the Collateral have been filed in any jurisdiction except for financing statements evidencing liens securing the Secured Obligations.

6. Rights in Collateral.

(a) Maker represents, warrants and covenants that it has and shall have at all times indefeasible title to all Collateral, free and clear of all liens, claims, charges and encumbrances (except for liens securing the Secured Obligations), and Maker shall defend such title against the claims and demands of all other Persons. Maker represents and warrants that this Agreement creates a valid security interest in the Collateral which, upon due filing of proper financing statements shall constitute a valid first priority perfected lien on and security interest in the Collateral, subject only to liens securing the Secured Obligations and liens which are accorded priority by statute.

(b) Except for expenditures of cash in the ordinary course of business or as otherwise permitted under Section 3(a) of this Agreement, Maker shall not sell, transfer, assign, convey or

otherwise dispose of, or extend, amend, terminate or otherwise modify any material term or provision of, any Collateral, any interest therein, nor waive or release any right with respect thereto, without the prior written consent of Payee, which consent shall not be unreasonably withheld, delayed or denied.

(c) Maker assumes full responsibility for taking any and all steps to preserve its rights with respect to the Collateral against all prior parties. Payee shall be deemed to have exercised reasonable care in the preservation and custody of the portion of the Collateral as may be in Payee's possession if Payee takes such action as Maker shall reasonably request in writing; provided, such requested action shall not, in the judgment of Payee, impair Payee's prior security interest in such Collateral or its rights in or the value of such Collateral and, provided further, that such written request is received by Payee in sufficient time to permit Payee to take the requested action.

7. Records. Maker shall at all times maintain reasonably accurate and complete records with respect to each item and category of the Collateral.

8. Taxes and Charges. Maker shall pay and discharge all taxes, levies and other impositions levied on any Collateral, separate and apart from Maker's other assets and in accordance with generally accepted accounting principles, consistently applied, except only to the extent that such taxes, levies and other impositions shall not then be due or shall be contested in good faith by appropriate proceedings diligently conducted (provided, such reserves and other provisions as may be required by generally accepted accounting principles have been duly made and recorded on Maker's financial records). If Maker shall fail to do so, Payee may (but shall not be obligated to) pay such taxes, levies or impositions for the account of Maker (without waiving or releasing any obligation or default by Maker hereunder), and the amount thereof shall be added to the Secured Obligations and shall be payable upon demand with interest accruing thereon at the rate provided in the Settlement Agreement.

9. Inspection. Payee and its officers, employees and agents, at Payee's sole expense and in no event more than one (1) time during any twelve-month period, shall have the right at all reasonable times upon at least ten (10) business days prior written notice, to inspect the Collateral.

10. Preservation and Protection of Security Interest. Maker shall diligently preserve and protect Payee's security interest in the Collateral and shall, at its expense, cause such security interest in the Collateral to be perfected and continue perfected so long as the Secured Obligations or any portion thereof are outstanding and unpaid, and for such purposes, Maker shall from time to time at Payee's written request and at Payee's expense file or record, or cause to be filed or recorded, such instruments, documents and notices (including, without limitation, financing statements and continuation statements) as Payee may deem necessary or advisable from time to time to perfect and continue perfected such security interests. Maker shall do all such other reasonable acts and things and shall execute and deliver all such other instruments and documents (including, without limitation, further security agreements, pledge agreements, pledges, endorsements, assignments and notices) as Payee may deem reasonably necessary from time to time to perfect and preserve the priority of Payee's security interest in the Collateral, as a perfected security interest in the Collateral, prior to the rights of any other secured party or lien creditor.

11. Remedy on Event of Default. If any Event of Default shall occur and be continuing beyond the expiration of any applicable notice and cure period, then Payee shall have the right to auction the Collateral pursuant to Article 9 of the UCC; provided, auction shall occur only after notice and advertising of any sale at public auction has been published for at least sixty (60) days in advance of the sale date and notice must be provided to persons and entities as are required under Article 9 of the UCC

for the conduct of a commercially reasonable sale at public auction. Additionally, any such sale at public auction must be conducted by one of the nationally recognized domain name auctioneers (or their successors) listed on **Schedule 1** attached hereto, to the extent that such auctioneers are then in existence and in the business of conducting domain name auctions. If none of the auctioneers (or their respective successors) listed on **Schedule 1** are then in existence or will agree to conduct the sale on sixty (60) days notice, then Payee must use such other auctioneer as would be required by Article 9 of the UCC for the conduct of a commercially reasonable sale at public auction. In the event that a sale of the Collateral and application of the Post-Default Deposits results in a surplus over and above the amount of the Deferred Payment debt plus any fees and costs pursuant to Section 15(f) below, then such surplus shall be promptly paid to Maker and, in the event that a sale of the Collateral results in a deficiency, then Payee shall have recourse for such deficiency against Maker. To the extent that Payee seeks payment of the Additional Payment debt from the Post-Default Deposits, Manila shall be liable to Maker for the amount of Post-Default Deposits applied to the Additional Payment debt.

12. Agreement to Deposit Funds. In the event of an uncured Additional Payment Default or a default under Section 3(a) above, and upon written notice to Maker by Payee pursuant to the terms hereof, and regardless of whether Maker contests whether such Additional Payment Default or other default under Section 3(a) above has occurred or whether Maker asserts defenses to such alleged default, Maker agrees and it shall deposit into the registry of the United States District Court for the Northern District of Texas, all Post Default Deposits. Maker agrees and stipulates that its obligation to make the Post Default Deposits, as described herein, shall be enforceable by injunctive relief without bond and without the need for Payee to demonstrate irreparable injury, such injury being stipulated and agreed to herein, and regardless of whether Maker asserts defenses to any of the defaults called by Payee hereunder. All payments by Maker of the Post-Default Deposits shall be made within five (5) business days from the date that they are received by Maker. The obligation to make Post Default Deposits and prohibition against diverting revenues or traffic set forth in Section 6.c. of the Settlement Agreement shall be enforceable by injunctive relief and based upon the stipulation and agreement of Maker that no bond shall be required for such injunctive relief, and no showing of irreparable injury shall be required, such irreparable injury being stipulated to by Maker herein.

13. Continuing Validity of Obligations.

(a) Maker's obligations hereunder shall continue in full force and effect as long as the Secured Obligations or any part thereof remain outstanding and unpaid and shall remain in full force and effect without regard to and shall not be released, discharged or in any way affected by (i) any renewal, refinancing or refunding of the Secured Obligations in whole or in part, (ii) any extension of the time of payment of any of the Secured Obligations or any part thereof, (iii) any compromise or settlement with respect to the Secured Obligations or any part thereof, or any forbearance or indulgence extended to Maker, (iv) any amendment to or modification of the terms of the Secured Obligations or any part thereof, or the Settlement Agreement, (v) any substitution, exchange or release of, or failure to preserve, perfect or protect, or other dealing in respect of, the Collateral or any other property or any security for the payment of the Secured Obligations or any part thereof, (vi) any bankruptcy, insolvency, arrangement, composition, assignment for the benefit of creditors or similar proceeding commenced by or against Maker, or (vii) any other matter or thing whatsoever whereby the agreements and obligations of Maker hereunder would or might otherwise be released or discharged other than payment in full of the Secured Obligations. Maker hereby waives notice of the acceptance of this Agreement by Payee.

(b) To the extent that Maker makes a payment or payments to Payee, which payment or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to Maker or a trustee, receiver or any other party under any

bankruptcy law, state or federal law, common law or equitable cause of action, then, to the extent of such payment, the Secured Obligations or portion thereof intended to be satisfied and this Agreement shall be revived and continue in full force and effect, as if such payment had not been received by such party.

14. Defeasance. Upon payment in full of the Secured Obligations, this Agreement shall terminate automatically and be of no further force and effect (except for the provisions of this Section 14 which shall survive), and in such event Payee shall, at Payee's expense and without recourse, representation or warranty, redeliver and reassign to Maker the Collateral and take all action necessary to terminate Payee's security interest in the Collateral. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

15. Amendments, Waivers, Notices, Governing Law, etc.

(a) The provisions of this Agreement may be amended, modified and waived, but only in writing by Maker and Payee.

(b) Except as expressly provided otherwise in this Agreement, all notices and other communications hereunder shall be made as set forth in the Settlement Agreement.

(c) This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and either of the parties hereto may execute this Agreement by signing any such counterpart.

(d) THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC LAWS OF THE STATE OF TEXAS, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF TEXAS OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF TEXAS.

(e) This Agreement is entered into in connection with and subject to the Settlement Agreement. Notwithstanding any provision hereof to the contrary, in the event of any claimed Event of Default hereunder, Maker reserves, and shall have, all rights, offsets, claims and defenses to such claimed Event of Default which Maker is entitled to assert for any claimed breach of the Settlement Agreement, to the same extent as if such provisions of the Settlement Agreement had been expressly set forth herein.

(f) If any action is brought to enforce or interpret the terms of this Agreement (including through arbitration), the prevailing party shall be entitled to reasonable legal fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled.

(g) The United States District Court for the Northern District of Texas, The Honorable Royal Furgeson, shall have jurisdiction over any and all other disputes and/or matters related to this Agreement, whether related to its consummation, implementation, enforcement or otherwise.

(h) In the event of a monetary default hereunder, if a party fails to timely pay monies due another party more than two (2) times in any twelve (12) month period, for each subsequent default during the subject twelve (12) month period, the defaulting party shall pay the non-

defaulting party(ies) two hundred fifty dollars (\$250), in the aggregate, as a penalty and not as interest.
